On this page, **use the verb ser** to describe the character traits of people in your life. If you can't think of anyone, use some interesting fictional characters! Use colored pencils and pens that match the sentiment.

> Unlock some advanced adjectives, like: *altruista, locuaz, maleducado, mojigato...*

> Gender agreement: remember that the adjective coordinates with the gender of the noun, not the person you are describing. *Juan es una persona p rfida. Stefanny es un personaje gru n.*
